an assurance for no fear...

## About abhaya News Update:

The effort behind making every news update of abhaya month after month, extra ordinary since a decade now. There is a TEAM silently work on pooling the data, updates, reports, photos, feedbacks, quotes, donations etc., for a 30 days period every time. Then the Volunteers sit for designing the news update during night times post their office hours. This would go on for at least 5 days... 30 man hours! Then alone a spectacular news update is published. Thereafter, a team of volunteers will start posting the news update to 20,000 abhaya donors, well wishers, supporters, corporates, NGOs and others across the globe in the first week of every month, further it would posted in FB, Whats App, abhaya web links, Blog and Twitter, reaching another 20,000 people. All these things happening without a break since 2006.

Request each reader of this news update be aware of such an effort behind bringing such piece of heart "the abhaya news update" so that there would be love, care, consideration in understanding what is happening at abhaya with their kind support. That would surely pave the way for making a heavenly difference to their association with abhaya.

**We will be happy to have your kind feedback for the news update. Further will be grateful if you can share this news letter with your near and dear and seek their support too!!**

# Water is needed

## but there are other needs too.. time to act !!

**Here is an urgency.. as we all know unlike many other disasters, drought is a silent killer!!** We might have heard a few voices of farmers committing suicides but the impact is much larger and deeper.. The need is certainly not water alone - with failure of crops, non-availability of water, lack of income generation activities, high costs of daily need material, higher interest rates charged by the local mafia, life has certainly become a mess for millions.. The support of basics (as mentioned in the poster) just eases it out!!

We are there.. in parts of Maharashtra, Bundelkhand and other areas, fighting it in our own way; from working on water, helping build infrastructure for capturing water to taking care of some basic needs..

**It's time we, the common citizens act in a big way and treat this as any other disaster like earthquake or floods where millions of us get together to do our bit..**

We all know that water is needed.. BUT

**There are other needs too...**

Contribute; Tarpaulins & ropes, Dry ration (pulses, non-basmati rice, spice, sugar, oil, biscuits), Food supplements, School material (stationary, bags, water bottles etc.) & toys, Clothes (clean and wearable) & new under-garments, Chappals, Umbrellas, Caps, Sun-glasses, Bed-sheets, Towels, Water storage containers including jugs & buckets, ORS, Electrol, Utensils, Mats, Toiletries & sanitary pads, Mosquito nets & repellents, Solar lights, torches & batteries. Also, monetary contributions for essential purchases and logistics.

*\*Please do not send bottled water- let the govt and other big agencies handle that.*

## abhaya's seeking support of Corporates for CSR Funds

We at the first instance thank each abhayan for standing with abhaya Foundation since its inception in the year 2006.

You are aware of the fact that there are many Companies in the country stood differently with a keen interest in developing the neediest communities. Considering the back ground CSR Provisions of Companies Act 2013 and our good work since a decade all over the country, we tried consolidating many of the service projects undertaken by abhaya Foundation as per activities specified in Schedule VII of CA, 2013, which needed corporate CSR Funds and support for your kind reference:

1. Eradicating hunger & poverty in the society through abhaya Home.
2. Caring the Destitute and working on their rehabilitation at abhaya Home
3. Development of Govt. Schools & its infrastructure like Building, Computers, Compound, Water, Toilets etc., (INR 5lacs to 10lacs per school)
4. 3 months free training for 30 unemployed at abhaya Home - 3 batches in a year (INR 250000 per batch/ trade)
5. 2 months free tailoring course for 30 women in rural areas (Estimated cost per batch/ Village is about INR 50000)
6. 2 months free computer basics training for 30 youngsters at abhaya Home (Estimated cost per batch is about INR 60000) - 4 batches in a year

You may discuss the same with the known corporates in your circle impress up on them that their will go a long way in infusing life to many needy people in the community. If in case of need, we are available for discussion and also to give further details & clarifications. Look forward to work hand in hand with you in developing the most deserving communities of this holy land.

## CSR Update

### Suzlon's CSR arm takes up solar street lighting

In line with its vision of powering a greener tomorrow, Suzlon Foundation along with the Association for Integrated Rural Development (AIRD) has installed two solar street lights each in Ottanatham and Sangampatti villages in Tuticorin district.

Talking about the "zero darkness" initiative, Jasmine Sofia Gogia, General Manager, Suzlon Foundation, told BusinessLine that the Foundation has till date lit (solar street lights) up seven out of the 120 villages that they work with in Tamil Nadu.

"We have installed 14 lights (2 per village) this far. The other five villages – Periyakumarapalayam, Ponnivadi, Peramium, Alampalayam and Mambadi – are in Tirupur district," she said, adding "these villages are located close to Suzlon's upcoming wind turbines."

Gogia said the company has developed mega wind parks in India and the (wind turbine) installations in Tamil Nadu was well over 2000 MW.

"The team identifies the location for installation of the street light, digs the pit (foundation) and gives an undertaking that they will maintain the light. Approximately, around 500 families in each of the villages are benefited because of this initiative."

In Tamil Nadu, Suzlon Foundation, the CSR arm of Suzlon Group, focuses on formation of village development communities, capacity building programme for the community members, eye screening and cataract surgery support camp, cleanliness drive, animal camp, tuition centre and many more.

**"Money is not required for doing CSR; one needs to identify do-able activities, have a dedicated business team and convince the locals that the activity is aimed at uplifting the village," Gogia said in reply to a query on the fund allocation for such activities.**

### Gujarat, Maharashtra gain maximum from CSR

Gujarat and Maharashtra have gained the maximum when it comes to corporate social responsibility (CSR) spending by companies. In fact, over 50 per cent of CSR spending by nearly 1,181 companies, listed on BSE, has come to the two neighbouring states of western India. Gujarat alone counts for around 25 per cent of the total CSR spending in the country.

This is what a report 'A billion dollars story of CSR spends in FY 15' recently released by Confederation of Indian Industry (CII) and CII ITC Centre of Excellence for Sustainable Development has revealed. The report suggests that in the first year of legislation, listed companies taken in the sample spent US \$ one billion or Rs6,400 crore - a majority of which was invested in Maharashtra and Gujarat.

In contrast, the North-East region of the country, which includes states like Arunachal Pradesh, Manipur, Meghalaya, Mizoram, Nagaland, Sikkim and Tripura, is at the lowest end of the spectrum with only three per cent companies choosing to make CSR investments there.

"The very logical reason for this is that most companies would prefer to make their CSR spends in the places of their operations. Gujarat and Maharashtra are home to major industries and hence the companies have made their CSR spends in their work areas first," said Niraj Lal, chairman of CII CSR Gujarat State Council and head CSR of Arvind Limited.

## FCRA tweaked to boost CSR spend

A discreet move to amend the Foreign Contribution Regulation Act (FCRA), 2010 through the Finance Bill that has gone unnoticed appears to have a twin purpose — unlock an estimated Rs. 10,000 crore that corporates want to spend on corporate social responsibility (CSR) activities in India and clear the legal path for political parties to receive donations from what were hitherto classified as foreign companies.

A senior government official said the amendment, which alters the definition of what is a “foreign source” when it comes to making contributions, would benefit parties such as the BJP and the Congress. Both have been charged with illegally receiving foreign funds for political activities from U.K.-based Vedanta Group from 2004 to 2012.

The Association of Democratic Reforms filed a PIL petition against the two parties for violating the FCRA. The Delhi High Court had held that the donations were illegal in 2014, but the two parties have challenged that order in the Supreme Court.

Pre-amendment, any company with a foreign direct investment (FDI) of above 50 per cent was deemed as a “foreign source”. This has been altered with the introduction of the proviso that, with effect from the September 26, 2010: “Provided that where the nominal value of share capital is within the limits specified for foreign investment under the Foreign Exchange Management Act, 1999, or the rules or regulations made thereunder, then, notwithstanding the nominal value of share capital of a company being more than one-half of such value at the time of making the contribution, such company shall not be a foreign source.”

The process of amending the FCRA was initiated in September 2015 when Union Finance Minister Arun Jaitley wrote a letter to the Home Ministry seeking its reply to a petition submitted by at least 22 companies — a list that included Infosys and Axis Bank among others.

The companies argued that while government policy mandated them to spend two per cent of the company's profit on Corporate Social Responsibility (CSR) projects, the FCRA's provisions which classified such funds as coming from a “foreign source” came in the way of this. They contended that the rules, which required the MHA's clearance each time money was to be disbursed, were cumbersome.

The amendment was pushed through the Finance Bill even though the Home Ministry had already prepared a Cabinet note to amend the clause. Explained a government official: “Sending it to Cabinet would have meant that a Bill would have to be drafted and wait for the Parliament to pass the legislation. The amendment had to come into effect by March 31, 2016, when the last financial year ended. The companies had said that if the rules were not relaxed, they would not be able to spend the money of the last fiscal and it would go down the drain.”

## J&K Bank's CSR initiative in health & education sector

In yet another major CSR initiative, J&K Bank presented four eco-ambulances, two portable X-Ray devices, fifty 3-seater benches and Rs 5 lakhs for poor patients to Government Medical College (GMC) Jammu & Associated Hospitals. One similar ambulance was handed over to the Jammu University.

Speaking on the occasion, Chairman Mushtaq Ahmad said, **“Health is wealth. This maxim stands true equally for an individual, society and a nation. And being wealth managers of the people, we understand the significance of our hospitals for the health of our people in J&K.”**

“Today I feel contented to dedicate these needful amenities for the convenience and comfort of people in this region. In future also our CSR programme shall continue to focus on health and education, which remain critical for the real growth and development of every society”, he added.

## CSR cannot be forced down somebody's throat: Piyush Goyal

Piyush Goyal was speaking at a CSR Awards-cum-Summit organised by Assocham. **Voicing concern over 2% corporate social responsibility spending norm for companies, Union Minister Piyush Goyal on Thursday said that CSR is not something that can be "forced down somebody's throat".**

"I personally feel, 2% has become a budget and budget is a restraint and budget is not something which means that you are going to spend that," the Power, Coal and Renewable Energy Minister said.

He was speaking at a CSR Awards-cum-Summit organised by Assocham. "I genuinely believe that CSR is not something that you force down somebody's throat because the moment there is something which is made mandatory then it becomes ritualistic...", Goyal said.

"So I oppose it because I say, even if we want to do it, it should be suggestive and we should encourage more and more people to go down that path rather than force it down and then the peer pressure will set in," he added.

The minister also informed that he had opposed to making 2% corporate social responsibility (CSR) spending by private firms mandatory when it had come to the Parliamentary Standing Committee of Finance for review of the Company's Law amendment.

"May be a good idea if all the big corporates of this country decide to recuse themselves from awards, because they are already doing a good job, they have already reached a certain scale and level, but nevertheless what we need to do is take this to people who really need to be encouraged," he said.

Giving an example of the Ujwal DISCOM Assurance Yojana (UDAY) scheme, Goyal said, "The UDAY scheme...I made it optional, nothing mandatory and almost every state is signing now."

## NTPC's CSR Initiative to install CCTV cameras in old city

NTPC, a Maharatna power utility and a Government of India Public Sector Enterprise, is the first PSU to join hands with Hyderabad City Police in the Community CCTV project.

NTPC entered into an MoU with the Office of Commissioner of Police, Hyderabad for installation of CCTV cameras in Old City areas in the city.

NTPC would extend a financial assistance of Rs one crore for installation of CCTV cameras at Kamatipura Police Station of Old City areas of Hyderabad as a part of CCTV surveillance system under its Corporate Social Responsibility (CSR) and community Development Initiative.

The Telangana Government had initiated a series of measures to upgrade the quality of life in Hyderabad with an objective to transform it into a Global City and Hyderabad City Police into a Global City Police.

The Government of Telangana have started the process for setting up a 24-storied building in the city connected with a City Wide Community CCTV Surveillance System, consisting of over a Lakh of CCTV Cameras.

This will act as one stop centre for handling all emergencies and crisis/disastermanagements by all Government Departments.

As a part of this effort, the Hyderabad Police has started implementation of City Wide Community CCTV Surveillance System with the help of Community support, as envisaged under the provisions of AP Public Safety (Measures) Enforcement Act, 2013 and Rules 2014.

## Linking leadership with CSR programmes delivers high impact'

When organisations include social responsibility programs within their leadership development efforts, it results in a positive impact on overall engagement and performance, a report said today.

According to a global study released by the Hay Group division of executive search firm Korn Ferry, across all leadership levels, an average of only 36 per cent of employees are "highly engaged".

Leveraging a social responsibility agenda to develop leaders can help reverse this trend, it added.

Around 87 per cent of respondents say that linking an organisation's social responsibility efforts to leadership development has a positive impact on overall engagement and performance, according to the survey, which includes data from more than 7,500 business and HR leaders in 107 countries.

However, only 59 per cent of respondents say their organisations actually link the two. "If an organisation wants to win the current war for talent and retain valuable employees, then it needs to ensure that they constantly feel inspired. Employees need to view themselves as part of a big picture and this is where the social responsibility platform can help," Korn Ferry Hay Group Country Head Nitin Razdan said.

Razdan added that "some of our own initiatives in India towards 'nation building' have helped us connect our employees to a larger purpose." With corporate social responsibility initiatives gaining traction, some progressive companies are going beyond volunteerism, linking profitability with social responsibility and embedding these goals in their core mission statements.

## Livelihood restoration project launched by GMR in Odisha

In a bid to include more than 1460 project affected families in the mainstream of economic growth process, GMR Kamalanga Energy Limited (GKEL) has launched a livelihood restoration pilot project in Dhenkanal district of Odisha. Launched by GKEL, the wholly-owned subsidiary of infrastructure major GMR Group, the project aims to enhance income to the families through agri-based activity, employable skill training and micro-enterprises support initiative. We have launched the unique pilot project with a focus on livelihood restoration for the project affected families. It will definitely enhance the financial stability of the families in Kamalanga area, said Meena Raghunathan, Director, Community Services, GMR Varalakshmi Foundation, the CSR-arm of GMR Group. She said the programme would be implemented in a very intensive and integrated manner in the plant area for the next 3 years for the benefit of 1467 project affected families. The project affected families will get training on skill development, modern farming and micro-enterprises which will help to boost their income in a long-term basis. The project proposes to offer 28 livelihood interventions for affected families. Considering the variation of the requirements of each of these livelihood assistance areas, implementation is planned in a phased manner. GMR Group has been working for the development of the community in Kamalanga area for the last seven years to enhance quality of life in education, health and livelihood intervention as part of CSR activities. This special project is very unique. Our aim is to change the landscape of the Kamalanga area by proving economic viability to the community within three years. We have drawn up the road map accordingly and appointed highly skilled professionals for the job, said Raghunathan during a visit here to review CSR activities undertaken by the company - **Collected, compiled & reported by CS B Kiran Kumar Gupta, Member - abhaya Foundation**

## abhaya - HYUNDAI CSR Update

### Hyundai Hands & abhaya H.E.A.R.T

Having a H.E.A.R.T to serve is not really useful without having HANDS to serve! Hyundai lend their hands to serve with abhaya H.E.A.R.T to serve... Together Hyundai abhaya partnership created significant results to those in need for the past 6 months.

abhaya Hyundai Driving School: Since Hyundai associated with abhaya Driving Classes initiative in the month of December 2015 by donating a Hyundai Santro Car and abhaya is able to empower about 30 unemployed youth with Driving Skills. 26 of them got their Driving Licenses. Each batch of driving classes religiously visited Hyundai Campus for a day and immensely benefited from the Hyundai Team and their interaction. The plan is to have Hyundai association year after year and produce quality drivers to the society. Presently abhaya Hyundai teams are working on registering "abhaya Hyundai Driving School". The suitable Applications submitted to RTA, Athapur and

they are very kind enough to process the same and sent the instructions to RTA, Ibrahimpatnam to inspect. Sri Gowrishankar, RTO suggested to set up a Model School for imparting Driving Skill. Accordingly abhaya Team is working to create cut models in consultation with Sri PS Murthy, Instructor.

abhaya Hyundai Road Safety Move: abhaya Hyundai in consultation with Hitech City Traffic Police conceptualized Traffic Awareness Theme Park in Hitech City, Hyderabad to provide awareness to common public in order to prevent accidents and wrong driving. Road Safety sing boards and barricades worth Rs.10,00,000/- were kept ready for the purpose. Soon, the Police Commissioner (Traffic) will be dedicating the same to the common man's benefit.

abhaya Hyundai Current Year Plan: Apart from Driving School, Developing School Infrastructure, Road Safety etc., the plan is to work more on Youth Empowerment during current year. Suitable proposals are being submitted to CSR Committee of Hyundai for their consideration and approval.

## **abhaya - Hyundai driving team visit to Hyundai campus @ Hyderabad**

### The development work @ Round Table Govt. High School, Sanathnagar, Hyderabad is nearing to completion The dedication event is planned in the month of June 2016

- 2) Additional class rooms work is almost finished.
- 3) Girls toilets work is finished to the extent of 90%
- 4) Shed work is finished except colouring the frames.
- 5) Government initiated mid-day meal scheme even during summer vacation for the benefit of students, whereas very few students are attending the same.
- 6) Most of staff members attended SSC spot valuation at Ward and Deed High School in Hayathnagar, Hyderabad.
- 7) Few staff members are attending NPR Aadhar updation survey at Fathenagar division.
- 8) Govt declared summer vacation from 16th April to 12 June.
- 9) Though the civil work is nearing completion, we have to postpone the dedication event due to holidays and the same can be done only after school is reopened. - **Ayyanna, Coordinator, abhaya HIL Work, RT Govt High School, Sanathnagar, Hyderabad**

### Govt. Primary School @ Jagadgirigutta being developed by abhaya - Vijaya

I am Jagadish from Cognizant Technologies, Hyderabad and also the member of Cognizant Outreach. I had the opportunity to attend a volunteer awareness session at abhaya home about 2 years back. Later I accompanied abhaya team for 2 days session for the school kids at abhaya Vgnan School, Yaraguntla village, later I attended abhaya CSR Seminar in 2014 hosted by abhaya at Bengaluru for propagating the cause of CSR amongst corporate houses. Since then, where ever there is a possibility, I am joining with abhaya as a volunteer and doing my bit for the country as I am fully understood that with what fairness, selfless attitude and focus abhaya is working for those in need. Further, I understood that every paisa pooled being spent so cautiously in most transparent manner.

The Head Mistress of Govt Primary School, Jagadgirigutta searching for helping hands and she requested many of officers and leaders of village to come forward and develop the school but no one responded positively since years. Sometimes, local leaders promise but the moment election are over no one remember their words. The situation in the school was very heartening to see. There were about 250 poor kids getting benefited from the school over there.

When heard about the hardships they are facing through one of my colleague Venkaiah, I hearty decided to do something for that school and I enquired with HM about urgent needs and noted the requirements like, constructing water tank, Toilets, repairing kitchen, plumbing work, stage, electric work and compound wall.

Considering the great work being done by abhaya since a decade in the country, I explained the HM about the abhaya foundation and I advised HM to approach abhaya seeking help. I further met abhaya coordinator V Sridhar and explained about the condition of school. We all collectively did some more homework and approached abhaya, the founder while appreciating the good work already done by them, without even visiting the school and reposing confidence on the team published an Appeal in abhaya News Update - February 2016. The requirement except compound wall costing Rs.3,00,000/-. We all know, abhaya do not have such recourses! abhaya always believed in: If Intentions are pure...GODs will start working. That is exactly happened post publication in the news letter.

Trustee, CS PS Rao was approached by Vijaya Diagnostic Center asking as to how to make use of their CSR Funds. He very caringly connected Vijaya Management to abhaya. The moment the Founder and other members met the Board Members of Vijaya and shared details of various projects, immediately they have taken the decision to lend their helping hands to abhaya in developing the Govt Primary School, Jagadgirigutta with their CSR Funds to the tune of 2, 50,000/-.

Vijaya sanctioned required funds in the 3rd week of March 2016 and the civil work was initiated by abhaya. It was on 29th March 2016, the bhoomi puja was performed and immediately the work started. Now in the span of 25 days 75% work completed. The entire development work will be completed in next 10 days time. The new look school would be dedicated for students/teachers sooner than expected. Kudos to the team abhaya and its missionary zeal and sincere gratitude to Vijaya Team for reposing confidence on abhaya. Such miracles are common in abhaya as there won't be compromise in work, quality and dedication. I am very fortunate to be associated with abhaya and I wish to continue like this for ever.

I requested various NGOs, many times in regard to development work at our School in the past, but non of them responded to take over the project. abhaya Foundation acted differently to my request and started the process immediately. We have about 220 kids in our school. As discussed previously at abhaya, we provided some paper work in regard demarcation of school land. Now we should submit school compound wall measurements to collecto, request you please support me in getting the required details.

When it comes to needs in the school, we need to have note books, bags and electric wiring to classes. Electric wiring is to run digital classes for the kids in the future. With the kind support of abhaya Foundation all the work going smoothly and almost 80% of the work is completed. We request you to please give suitable time for dedicating the development work for the benefit of school enabling us to make arrangements for the same. With the kind support of abhaya Foundation, now the school is in good shape with toilets, drinking water and facilities in the kitchen, drainage, ventialotrs, doors etc., Thanks for your kind support and we feel blessed to have your association - **Kamala. ## abhaya - CCL CSR Update

### The Corporate WILL to support the needy... a boon for the Country

CCL Products India Ltd., Hyderabad has such will to stand by abhaya in empowering youth of this country. They are very kind enough to sponsor abhaya Empowerment Initiatives. Since last 2 months, abhaya is able to make use of the resources lent by CCL towards setting up Rural Tailoring Centers at Chededu & Ibrahimpatnam and empowering un employed women in Tailoring Course for 2 months. about 60 women being identified. The classes are conducted in Govt Buildings which are available for use by abhaya team in consultation with village elders. We are hopeful of making the rural women self sustained with this initiative. The process is on to help the trained women to buy Sewing Machines for their work and sustenance.

CCL also partnered with abhaya Foundation in running 3 Months Free Residential Camp for Electrical & House Wiring course to benefit rural unemployed youth in association with National Academy of Skills, Hyderabad. The first batch commenced on 22nd March 2016 at abhaya Home. Around 30 Unemployed youth undergoing training right now at abhaya Home. With this initiative abhaya is able to make a difference to 30 families. The plan is to have such courses at least 2 per annum.

**Free Tailoring Training Center @ Chededu in action**

## Free Tailoring Training Center @ Ibrahimpatnam initiated

Woman empowering center at Chededu was inaugurated on 26th March. 26 household women joined and after drop outs there are 22 members now. They have completed 1 month course and another 1 month course is pending. We have divided women into 4 groups as there were 4 machines. They are learning how to stitch blouses, chudidars, middis and other woman wear. The classes had been conducted in Gopala Mitra, Veterinary hospital at Chededu Village.

abhaya plan is to inaugurate another 2 tailoring centers in rural areas near Ibrahimpatnam. The target is to have 30 members and as of now 20 members gathered and registered for the course. HM, Govt High School, Ibrahimpatnam granted special permission to use their premises. abhaya setting up a center with 4 sewing machines.

I am canvassing for Computer course and 7 housewives from Lingampalli and 4 boys from Chededu have enrolled for this course. We are facing many difficulties in motivating people to attend residential course, as they have to stay for 15 to 30 days, leaving their family. I am trying my best to get maximum registrations, by speaking to village heads and speaking at 'Grama Sabha' (gathering of village) about youth empowerment programs, we are conducting at Home of Happiness. I am sharing all the details about other activities of abhaya Foundation while motivating the people for the course. I am hoping for the best in days to come - **Manga, Campaigner, abhaya Home.**

# Gelli Narayana Chetti Kitchen Block getting ready @ Govt. High School, Ibrahimpatnam for inauguration

Gelli Narayana Chetti Trust and abhaya Foundation sponsored kitchen room at Govt High School, Ibrahimpatnam during the month of March 2016 and the same is getting ready for its inauguration. The cement concrete slab work was finished on 2nd April and now curing period is finished, remaining works are completing on war foot. Though our intention was to inaugurate the kitchen room on or before 22nd April 2016, but due to the fact the Govt declared summer holidays to the schools, the date is postponed. The Founder, Myself and Srinivasa Reddy, Engineer are monitoring the progress of construction very closely. As the contractor Sri Venkatesh, himself a mason, he is doing the work with lots of commitment. School teachers and cooks also watching the progress and suggesting the mason whichever is needed. Headmaster, students, staff and school well wishers are very much happy for an early completion of school kitchen room. It is very rare situation where such work is completed in less than 2 months time... this can only happen with abhaya. Everybody is extending their whole hearted gratitudes to the donors. The names of abhaya and its founder are familiarized among common people in the locality with his commitment towards society and for his kind HEART. Thanks to abhaya - Gelli Narayana Chetty Trust.

Further, when abhaya Founder sought out help in setting up abhaya CCL Women Empowerment Center at our School premises during summer holiday to provide Tailoring Classes to Rural Women at Ibrahimpatnam, we felt happy and took special permission from the Dept Heads and conveyed it to abhaya Team. We are happy to note the team already initiated selection process for unemployed women for running free classes. - **G Viswanatha Guptha, HM, Govt ZPH School, Hyderabad**

### GSPV Trust Summer Water Camp at Hyderabad

The team GSPV Trust with a passion to serve the needy during hottest summer in the state of Telangana set up Hitech Water Summer Camp at Road No: 37, Jubilee Hills and serving cool mineral water to 1000s of people on the roads. Every day the Camp is opened at around 10AM and closed by 4PM.

During afternoon time, Trust also distributing Butter Milk. As of date around 15000 ltrs of water distributed. Every RTC Bus stops there and the Driver, Conductor & passengers happily drink the water. Traffic Police, pedestrians, Metro Rail Labour, people riding vehicles seen stopping at the camp and sip the water.

Dr Niveditha who happened to cross the Road No 37 on a hot summer day, stopped her vehicle at GSPV Summer Water Camp and inspired by the set up. Requested whether she can provide butter milk in the afternoon? the team felt happy and welcomed her to do the same. She personally came for a week and distributed butter milk to the needy people. It is very inspiring to see such a kind of work by GVPR - GSPV Trust. The Trustees of GSPV Trust, when contacted informed that, they are very happy about the Water Camp and they decided to set up such camps in more localities in the future.

### GSPV Trust Free Eye Surgeries @ Kogatam Village, AP

As part of follow up medical care, GSPV Trust identifying most needy people in the villagers who are in need of Eye Surgeries being counselled and sent to Ravi Nethralaya, Proddaturu for surgeries. The cost of surgeries taken care by Trust. Every month 10 people are getting operated. Some times miracles happening in their eyes.

### GSPV Trust Free Clinic at AP

GSPV Trust constructed a Community Center for the benefit of villagers in and around Kogatam, Kadapa Dist, AP. Apart from periodical mega health camps, considering the dire conditions of villages employed a female nurse Uma Devi at the Center. The Clinic started with basic medicines and emergency support about 3 months back now drawing 100s of people every month. Free medicines are distributed and referring the critical cases to nearby known doctors.

**MV Sunitha Reddy, Trustee donated Medical Kits to "Serve the Needy" Hyderabad**

### GSPV Trust distributed Food to Hungry @ Badhrachalam, TS

The team in pursuit of satisfying their hunger to serve the needy and inspired by the passion of GSPV Trust Chairman, Sri GSP Veera Reddy taken up the mission to serve thousands of hungry people who gathered at Bhadrachalam to have glimpse of Lord Srirama on the eve of Sri Rama Navami. The team worked hard to prepare 25000 food packets (Lemon Rice & Curd Rice) distributed to the most needy pilgrims and poor people.

# Mission 7 Summits Update

## - Raji & Bharath

Anto from MAC sports, Bangalore visited Hyderabad on 26th April, we met him at abhaya and had a brief discussion on our Mission 7 Summits. As per desire of Anto, we all visited abhaya home of Happiness, Anto interacted with the inmates / students who are getting trained in electrical wiring. He promised to present bats signed by cricketers to 5 students who topped in exam. We took him around abhaya home. He felt very happy to see the work happening at home, after lunch in the home we all went to ZPHS, Ibrahimpatnam where women are getting shortlisted for 2 months long free tailoring course. He was very happy and touched by the work carried by abhaya, late afternoon we returned to Hyderabad.

We then had had detailed meeting with Anto regarding the Mission 7 Summits and the way forward. He assured us to do his best support enabling us to finish at least 2 summits and asked us to send complete details of Mount Kosciuszko and Mount Elbrus. He also asked us to prepare resumes which include the training we took, pictures and certificates. We also discussed regarding time & resources to be spent on each summit. Founder hosted a dinner for all of us and we gave a send off to Anto. Now, we are doubly sure that we will be marching forward to realise our dream of accomplishing 7 Summits of the world. - **Raji & Bharath, Mountaineers, Team abhaya**

The month April at abhaya Home of Happiness ended with mixed emotions.

### Chandramma reunion with her family

The best thing is reunion of inmate Chandramma (90+) with her family! She was admitted at home by an IT employee Geetha Chatopadhyaya in August 2015. She was rescued from Vidyanagar Railway station and when entered home, she was not even able to partake food on her own. There were several wounds on her body and we took her to hospital for treatment. All the inmates and staff at home treated her well and she became healthy & started living on her own. Though everyone at Home treated her as their own granny, her heart was always with her daughter and grand children. May be that is why people treat MOTHER as first god. Though she has a comfortable stay, she always in thoughts of her family. She used to share their address to almost every visitor/student who talked to her. Many of them taken it lightly.

But Krishna, a student in NAC Electrician course moved with her story and went to the Village Nellagonda and could reach out the said address on his own expenses. He caught hold of her daughter and informed them about her stay at abhaya home of happiness. They were immensely happy and visited

home and requested us to send her with them. They told that, Chandramma boarded a train from a nearby railway station and reached Hyderabad City. Though they searched, they could not find her. They promised that this will not be repeated in future and given a written commitment for that. Founder accepted their request and sent Chandramma with her family after giving them travelling expenses. He also congratulated Krishna, who tried for reunion of an old lady with her family and awarded him Rs.500/- as a token of appreciation.

### RIP Lakshmaiah

Lakshmaiah (80+) was rescued by Andhra Bank staff under metro rail line, about 2 years back at Hyderabad and admitted at abhaya Home. Since then he became part of our family. He is unwell from the day he has joined abhaya Home. since last 6 months, he became bed ridden and the inmates have taken absolute care of him. Babji, The Medical Assistant took complete care of him. But with summer temperatures and with advanced age, he breathed his last at abhaya Home on 24th April. First inmate Kusuma and team contacted Ibrahimpatnam Commissioner Sri Praveen Kumar and they kindly sent their staff to do the last rituals. We are unaware of his and his Family's whereabouts. But, we are informing of his death, as he was also the member of abhaya's Family. I can not forget this incident in my life time. I am happy that I could do my part in this godly work at abhaya

**Swapna:** Child inmate Swapna is suffering a lot with temperatures in this summer. She was admitted in Rajya Lakshmi Hospital many times, she will be fine there at Hospital and fall sick whenever returned to home. As she wampted several times, took her to a private hospital near Ibrahimpatnam and she is very slowly recovering now.

**Ramakrishna:** New joiner Ramakrishna, who was admitted by Sri Satya Sai Seva Organization, Himayathnagar is adjusting to the environment. He may have been severely affected by bad incidents in the society. Those incidents may have registered in his sub conscious mind. Though he is normal for some time, he shouts about those anti-social issues.

**Ravi:** He wishes to walk, but he can't. To encourage him and make him happy, we all try to keep the surrounding happy. Founder is planning to make him to appear for 10th class exams this year. His thought is, Ravi will forget about his inability, when his mind diverts to studies. We too agree that, the young age of Ravi is confined to wheel chair. He should come out of that and lead an inspiring life. Whereas his mother who is attending to him looks like not interested to stay at home.

All other inmates Myself, Lakshamm, Padmamma, Ellamma, Kameswara Rao, Gopal and others leading life courageously with multiple health issues

## abhaya - Hyundai Driving School

As of now, 8th batch of driving students completed their driving classes and 7 out of 10 students could successfully get their Driving Licenses during the month. They were all very sincere in attending the classes & practices sessions. We have visited Hyundai campus along with these students. The Staff and management members at Hyundai, welcomed us and spent their valuable time with us. They have taken sessions to the students about driving and car internals. Apart from such things, Founder and myself spent value time with them to infuse values and life skills. With this batch we could make a difference to at least 80 Unemployed youth in rural areas.

## Review meeting of abhaya youth empowerment members

The team called all the beneficiaries presently attending free courses of abhaya Youth Empowerment Initiatives stating that there is a Review meeting for all the beneficiaries at abhaya Home. There were about 100 beneficiaries, teachers & Volunteers listed for the meeting.

Founder thought it is very important to have a review meeting of all students of Electrical, Driving, Computers and Tailoring courses at least couple of times during their course duration as 50% of them will be attending classes out side abhaya Home.

The plan is to build a team spirit, impart life skills, create awareness about community work, infuse attitude of gratitude, create good citizenry etc., amongst them.

About 75 beneficiaries attended a day long review meeting. Kusuma (Coordinator abhaya Home), Manga ( Campaigner), Srikanththo Reddy (Coordinator -Computer) and Malleeswari (Tailoring Faculty) spoke about their process and experiences in the presence of Founder.

Many of the women beneficiaries seen carrying their little kids attended the meeting inspite of scorching heat.

Founder reviewed the progress of all courses and beneficiaries also shared their thoughts in the meeting. All the participants were being provided lunch. Each one returned with a sense of togetherness and confidence to lead their life with their new skill acquired with the support of abhaya FOUNDATION.

## abhaya - CCL - NAC Training Center

3 months course in Electrical & House Wiring Course started at Home last month and all the students are actively participating in this course. We thank Sri Siva Shankar, AD, NAC for supervising the training modules and system. We also thank Sri Venkatesh & Sri Naresh for smoothly conducting these classes. Most of the students are passionate and we feel, they will be well-settled after this course. Though the week-ends are holidays, a few students are doing Practicals without visiting their parents. Whenever we find little time at their disposal, we are encouraging them to play, interact, assist with each other. Founder visits to home, would not be complete with out talking to them and making the visitors to speak to them.

## abhaya - CCL Empowerment Center, Chededu

Manga, Co-ordinator is mobilizing unemployed youth from villages for Driving Classes, Computer and Electrical Classes. in the process she came across several unemployed women who are struggling to lead a life to earn on their own. When she took the matter to Founder's attention, he very lovingly initiated to start an innovative work to empower such women in rural areas and accordingly abhaya started first Women Empowerment Center in Chededu Village with 5 sewing machines arranged in a Village Panchayath building. We even appointed a trainer on salary to teach tailoring classes to those women. We thanks CCL for their kind support in establishing this tailoring center.

## abhaya CCL Computer Classes @ Ibrahimpatnam

About 12 unemployed boys & girls approached abhaya Home during the last month listening to Manga in their villages seeking support to learn computer basics. Considering their back ground and spirit, the Founder spoke to Srikanth Reddy who is running a computer training institute at Ibrahimpatnam and requested him to impart computer training to the said students. He readily came forward and on nominal fee paid by abhaya Foundation, he started 2 months computer classes for them for 2 hrs a day. The students are regularly coming to the classes.

## G Group stood besides abhaya Home

Er Sunil Gorle...very young and dynamic professional engineer. He has set up his own firm at Hyderabad. Got connected to abhaya through Sri S Chakradhar, Member, aHoH & CA BV Prasad, Trustee in the year 2012. He visited our abhaya Home site...assured his support.

On 30th April he just dropped in at abhaya, spent time with the Founder and handed over a donation cheque for corpus.

He further said, his GGroup will give training for young engineers on Auto Cad with a stipend of Rs 5K PM. Upto 10 young engineers can be trained at a time. Interested may please refer the names enabling us to refer them.

## New Freezer & Water Cooler @ abhaya Home

Since initiating NAC Training Classes, now the head count at Home of Happiness is close to 60. With Summer temperatures, drinking water turning hot and people were unable to drink. Also the fridge available is not sufficient to store the milk and vegetables for this head count. So founder appealed abhayan to come forward for donating a Drinking Water Cooler and 4 doors Freezer. We thank CA S Radhkarishna, Trustee, Bengaluru, Sri Pankaj Agarwal, Business Man, Hyderabad, Sri Harish Kalmadi, Business Man and Baby Ananya D/o Smt & Sri Ch Ramu, USA for their kind donation towards these 2 very useful tools for abhaya Home. These will be very useful in this season and all the inmates are happy to receive these.

Founder and other board members are taking good care about inmates. Whatever may be the need, they are standing beside us and doing the necessary.

**NAC students volunteered for medical & driving support**

When I was completely bed ridden and was feeling hopeless in a helpless condition, the founder along with the Chairman visited me and offered shelter at Home of Happiness. I came here on a stretcher. They took good care like my own family members. I don't know how to thank abhaya, but I am sure If I take part in the service activities at abhaya Home, it would be more than expressing my gratitude. I have decided that, I will be like abhaya soulDear till I am capable of doing something. I thank founder for this wonderful opportunity. - **Kusuma, Coordinator, abhaya Home, Ibrahimpatnam**

# VIP's visited abhaya Home in the month of April 2016

## Movie Fight Masters Ram Lakshman visit abhaya Home

It was very surprising to see Ram & Lakshman twins, Movie Fight Masters visited abhaya home of happiness along with their Driver Bhasker. When they heard the Founder interacting with students on Life Skills, they went speechless after witnessing the activities going on at abhaya Home. They spent an hour time at abhaya home and expressed their respect to abhaya and its Founder.

Later, they interacted with the students and inmates and urges all the youngsters to stay away from bad habits and bad company in the process they have narrated

their own success story and the discipline they have maintaining since 20years of their lifetime. Their driver Bhasker shared his experiences with trainees. The students were just inspired by these surprise guests and their gestures, this is yet another memorable day for each one at home that day.

## an appeal

Let us not shed tears at someone's dire conditions of life...

Enough number of people has shed tears

Let us not be empathetic for the needy!

Many people showed concern in their own ways.

Let us not suggest ideas for the improvement for them.

Many more suggested and discussed ideas of uplifting the lives.

Enough is enough.

**All we need is ACTION,  
NOW or NEVER.**

Come, Let us do our part for the betterment of our own fellow beings!

Thereby let us transform our self and live with a PURPOSE in LIFE

### Mission Anjaiah

Anjaiah, abhaya SoulDear at Ibrahimpatnam and Internet provider for Home of Happiness is in deep crisis. His two legs below knees were completely damaged and the flesh also spoiled. On enquiry he told that he used to get pain in his legs and used medicine with consultation of local medical practitioner. As the pain is not reducing, he consulted Dr Sulapani, on suggestion of the Founder CS Balachandra Sunku. After initial tests, doctor suggesting him a surgery and bed rest for 2 months post surgery. Total estimation for the treatment is about Rs.4,00,000/- and he is not in a position to pay anything now. abhaya considering his helpless condition and association with its good work at abhaya Home, considering to stand by him in this regard and trying to pool funds. We appeal all abhaya SoulDears to lend their hands of support. We may have many rich people in our circles...but there are very few people who are rich in heart while serving. ### Mission Krishnaiah

Krishnaiah (31) from Palasamudram, working as driver, his elder brother working in looms. The poor family encountered by fate of illness. Last Thursday, Krishnaiah came back from the work and slept morning he didn't wake up. Family found him in unconscious state; they took him to local hospital. His one hand and leg has no movement. Doctors found a blood clot in brain, immediately operation was done at Ramachandra hospital. They have spent about 2.5 lakh and he is in ICU. Further estimated cost is about Rs.2lakhs. Meenakshi, a colleague of abhayanArunodaya, approached us with the case.

Considering their condition, we published this Mission Seeking support and abhaya granting Rs.25,000/- as immediate support.

### Mission Anandraj

Lakshmi Narasimha Ikkurthi approached abhaya to help a patient named Anandraj who needs immediate Liver Transplantation. They could pool 63000 and abhaya has contributed 25000 from its end. Everybody tried their best, required funds were pooled and have also convinced the TN Govt. to release funds in completing the operation. Anand's cousin came forward to donate part of her liver, but doctors said that absolute liver replacement is the only solution for Anand's situation. Hours before Anand's departure, team could finally find a liver donor, but it was too late by the time. Our sincere thanks to every individual who supported us with your valuable time and contributions. - **K Siva Krishna, Secretary**

I would like to extend my sincere gratitude to abhaya Foundation and to all those who supported me in the "Mission Anandraj". At Abhaya, I have always strive to give my best at whatever mission I was privileged to co-ordinate particularly in health care. We have tried our best to save Anandraj in all possible ways we could.

Together as an 8-member team, we were able to pool in close to 1 Lac Rupees from several sources and Tamil Nadu Government sanctioning the entire amount required for the liver transplantation. However the wait for a Liver donor has defeated our fund-pooling efforts and eventually we lost Anandraj. After a 15-day struggle, Anandraj left us leaving a few questions unanswered. While hundreds of people are dying every day, we were not able to find a single donor who can donate liver. There are few pieces of puzzle that only a good regulation of the organ donation by the government can fill, otherwise we will end up losing many Anands.

Regarding the fund rising, we have approached an online fundraising application and were able to pool 75000 INR. The application team have collected 5% of the amount. I feel that this kind of application can help fundraising and I will strive for the development of a similar one for the abhaya foundation. Once again, I'm happy to be associated with Abhaya. - **I Lakshmi Narasimha, Social Worker, Hyderabad**

### Mission Hari Prasad

Hari Prasad is recovering slowly. He regularly attending the physio therapy sessions. He was able to stand once someone made him to stand. New therapists at Sweekar are taking good care of him. His mother is taking him to Sweekar Rehabilitation Center at Secunderabad every day and making him to walk even at home. - **abhaya Team**

### Mission Sruthi

Sruthi also regularly going to Sweekar Rehabilitation Center, Secunderabad and attending physiotherapy sessions. Her condition improved a lot and she is now able to walk with support. New therapists are taking good care of Sruthi. We hope that with all our effort she will be normal soon.

## Support for Patient Transport at Emergency Department, Gandhi Hospital

The Emergency Department at Gandhi Hospital receives approximately 250 cases per day, the largest perhaps in Hyderabad. About 60% of admissions to the Hospital happen through the Emergency Department. This area obviously has a huge impact on lives and livelihoods (given the high cost of emergency and critical care in the private sector). While there are enough number of doctors, fortunately, this being a teaching hospital, a big gap seen here is the inadequate nursing and paramedical staff in critical care units, which is compromising care levels and outcomes. UC has had several interactions with Gandhi Hospital Administration since October 2013 regarding the proposed support for augmenting Nursing & Paramedical staff and Patient Transport team at the Emergency and Intensive Care Units. Since mid-2015, UC along with volunteers have actively engaged with the emergency department and studied the scope of engagement to operationalise the support services for patient transport at Emergency Department.

### Patient Transport Services:

UC commenced the patient transport services in the emergency area from the beginning of January 2016. A young team from UC's NPO partner 'Seva Bharati' has started extending the service of quickly moving patients in wheel chairs and stretcher trolleys in the Emergency area and promptly delivering lab reports for these patients UC's volunteer team preparing to transport the patient from ambulance Patients being shifted from ambulance to Emergency care reducing time for patients to receive care. This team also comprises volunteers from the student community and working people. This intervention has been well received by

patients, their attendants and the hospital staff. This is a 24/7 activity and UC welcomes volunteers to sign up for a couple of hours every week to support this activity. To support & motivate the transport team Sri Sathya Sai Seva Organizations, Gandhi Nagar has been providing free Dinner to all the patient-transport team members from March,2016.

We thank abhaya FOUNDATION, for their generous support of Rs.5,000/- Per Month towards Transport Service at Gandhi Hospital

## Leelavathi M.Sc.,

I I am S.Leelavathi, M.Sc. Chemistry from Anantapur.We celebrated Sivarathri festival at SivamMandir and stayed therethe whole night. I attend abhaya Women's day celebrations on 8th march, I was very proud to be part of this event.Though they are not as popular as Sonia Gandhi anIndira Gandhi, yet their life stories were inspiring to others. By seeing all those things I could feel the presence of my mother who inspired and motivated me in every aspect in my life.

I was so over whelmed when the Founder spoke about my academics achievement in that session. Thank you, abhaya, for recognizing all these women and respecting their contribution toward a brighter tomorrow. And it is a great initiative of abhaya to set up women empowerment sessions for rural women which help them in enhancing their lives from.

I happened to visit places like Yadagirigutta andCharminaralong with abhaya soulDears from Bengaluru, Gayathridevi&NarasimhaMurthy. Thanks to their love and care. I tried my level best to reach my goal but I could not secure the required marks. As I am done with my industrial training from NATCO for 2 month, now I have decided to start my career in Pharmacy and lead my lifesupporting my parents and abhaya,and continue my effortsto achieve my goal.abhaya always amazes with its kind support in all the aspects, they are continuously supporting me in building my dream.I got a job offer from EmmennarPharmaPvt. Ltd., Hyderabad.I take this moment to express my heartfelt gratitude to abhaya. Except for abhaya, it would have been an impossible for anyone to bring me to this stage. Thank you so much abhaya for the empathy and support.

### Reply from abhaya:

Now you are standing on your own and supporting your family. It will be surely a proud moment for your family. Never ever forget your first day! Your story should be an inspiration to many. Try to improve on your communication skills as that alone will keep you in progress. All the very best for your new job!

## Sai Latha (MBBS)

It has been an enlivening experience to explore in various villages and give them treatment and make them aware of various health conditions and educate them to diagnose themselves and approach the Medical institutes for treatment. The most challenging part of this is to communicate with the villagers whose lifestyle and thought process is entirely contrary to the Urban people. This had fetched me lot of learning's for Profession and Life as well.

On the eve of World Tuberculosis Day, elocution competitions were held in the College, I have given an informative and effective speech on TB and its eradication and I could achieve 1st Prize in that competition. It was great opportunity for me to speak in front of Dignitaries like the Collector, DMHO and DMO. I have also spoke about the activities that are going to be held through the Medical College and the services which are going to be rendered to Anganwadi, Asha Workers and the Nurses.

I wound up my speech with a message that with faith, will power and strength any disease can be eradicated. I was applauded and appreciated by the Dignitaries and all the College. I must say that all this confidence, knowledge and wisdom are acquired from my association with abhaya. I purchased 3rd year books worth INR 2460 and received few other PG books from senior. Internal examinations will be commencing soon so, as of now my only focus is on preparation. I thank abhaya heart fully for all the support.

### **Mahesh (IAS)**

abhaya Educare team member Mahesh, who was supported for CIVILS Exams, approached abhaya for help once again. He is planning to work as a faculty in a college. He is in a need of laptop to prepare for his classes and also for his Civils Service Exams. He searched in OLX for a suitable laptop and found one at Rs. 14000/-. He has Rs.2000/- with and requested abhaya for remaining amount. Considering his confidence and ambition, abhaya is providing an amount of Rs. 12000/-. Hoping for the best to Mahesh in accomplishing his IAS Dream in life sooner than expected. - **abhaya Team**

### **Irfan Syed (BBM)**

I have cleared by due fees of Rs.6500 with the help of abhaya. I was given my hall ticket only after clearing the due fees, so, now I can write the annual examinations. I have been preparing for these examinations since a month. And also, I am performing well at my job, but this is not fetching me enough funds in meeting my Family's expenditure. That is why I am thinking to shift to some other working fields which will fetch me good amount of earning. But that may become a hurdle for me to attend College and continue my studies. I hope, I can find some other alternative. And I am very thankful to abhaya for helping in all ways and always

### **G V Srikanth (Groups)**

I have completed my coaching in Group2 examinations of TPSC. I am preparing for these examinations since February, but now the exams have been postponed, and the dates are yet to be announced. From my end 80% of the preparation required is done.

### **M S Abdulla (B. Tech)**

I am M.S.Abdulla. I am pursuing B.Tech 3rd year in department of Civil Engineering at VNR VJIET College. This month I have completed laboratory experiments. I had three labs examinations, and internal examinations. In the next month we will have external examinations, so I am preparing well for these exams and also I am going to institute daily. Especially this month we have given some motivation speech to juniors. I have given poster presentation topic on "rules are not meant to broken but followed" in the Advance communication skills laboratory.

### **Vyshnavi (B. Tech)**

I am G.Naga BangaraVyshnavi, Vasavi Engineering College. I have been attending to the classes in this month. Our First Semester exams results were announced and I stood second in the class with 88%. Second semester examinations may commence from 27th of April, I work hard to improvise more in my academics. I credit all my success and happiness to abhaya, this had only happened because of the support given by abhaya. I thank abhaya for all the support and encouragement.

### **Sireesha (Agr B.Sc.,)**

I am writing this letter to thank abhaya for supporting in clearing my 3rd year fee dues. My classes have commenced and I hope that I will perform in this semester. I thank abhaya for its continuous support and kind blessings.

### Swapna Priya (B. Com)

My Name is A. Swapna Priya. I am fine here by the god's grace. My health is good. I am completing my 1st B.Com at Shanthinikethan Women's Degree College. Recently we completed practical exams and pre final exams. Now we have preparation holidays. We got the hall tickets on 15th March. We have Board exams on 17th March onwards and over by 31st March. We have taken important questions and repeat questions. I have CPT exam in the month of July, So I am preparing well and I am doing night out, already completed 5 subjects. I seeking clarifications to my doubts with help of my sister.

### Syed Afreen (An Air Hostess)

I am Syed Afreen, I have successfully completed my Udaan project given by our institute. I will soon be certified for that Project right now I am having my travel tourism classes which were stopped because of the project. I am also trying to attend the interviews in five star hotels which is a reference through our institute itself and it will be also a experience for me. From that experience it will be more easy to get a job in good airlines. This is what happened in this month overall. The two months fee of my hostel which was pending the last month was cleared successfully.I thank Raghav Sir for helping me financially. Raghav sir has helped for half amount of my fee and the rest my mother took help from her friend.And I once again thank abhaya foundation for the help they had done for me. Thanking You

### GVK School Update

**The following service activities were done in the school during April:**

At We wish to share a brief update on the service activities done in the project during April 2016. The school was running in normal course. On 02.04.2016 Sri Syam Prasad Mukharji, a leading lawyer Tadepallegudem with other donors and well-wishers visited the school. They opined that the school buildings of two tiled roofs were in bad condition and promised to provide iron sheet roof instead in replacement of existing roof. They took photos of the school. 10th class examinations were completed on 04.04.2016. We are confident that this year also the result will be 100% pass in the examinations. On 23.04.2016 is the last working day of the school. Summer holidays were issued from 24.04.2016 to 12.06.2016. On 23.04.2016 is myself and correspondent Sri N.Bhujanga Rao conducted staff meeting and discuss on the academic year 2016-17 education activities - **S.Bhavanarayana, Joint Secretary, GVK School**

## A Session with Sai Youth at INFOSYS

It was a historic day. It was a confluence of good thoughts and inspiring hearts. In line with the principle of "Good work is GOD'S work ", 115 representatives from 46+colleges across the city have attended the conference in Infosys campus under the theme "Together we can change the world". Inspiring personalities have consented to address the audience and helped understand the need and the impact that would create at a greater level.

Sri Kondala Rao - Advisor to Govt of AP  
Sri Ram Babu Garu - CSR Head, Infosys  
CS Balchandra Sunku - Founder, abhaya Foundation  
Sri Gunaranjan - Founder, Yousee  
Sri Gopal Bhargav - Founder, Vanguards Organization -  
**Sai Kiran, Sai Youth Coordinator, Hyderabad**

**It was very inspiring to see 100s of youngsters drawn from 50+ Colleges and corporate houses who were already engaged in doing community work in their own way. These youth were mobilized for a pre-conference meet by Sai Youth at Infosys Campus for making them to be part of a Mega Event in the month of July 2016.**

**Founder was invited to speak about Service & Leadership; he shared his thought on YOUTH FOR CHANGE. The participants and coordinators were inspired by his speech.**

**Also, the Founder met many leaders from various NGOs. This was yet another fantastic work by Sai Youth. abhaya feels proud to do its part for such initiatives of engaging youth in doing good work wherever possible across the globe. Founder appreciated wonderful n selfless work being done by Sai Youth - abhaya Team**

## Silver Jubilee Celebrations of SSS, Hyderabad

Sai Seva Sangh (SSS), Hyderabad celebrated their Silver Jubilee at Butta Convention, Hyderabad. Founder had an opportunity to witness their event. It was very inspiring to see hundreds of people gathered over there seeing the transformation brought by SSS in the lives of many hundreds.

Padmabhushan Dr HM Hegde, Dr BV Mohan Reddy, Technocrat & Ms Karuna Gopal graced the occasion along with many other well wishers and VIPs of SSS. Founder wished the team and expressed gratitude to Ms Aruna Pradeep Reddy for leading the entire team of SSS since 25 years.

abhaya kids (Sridevi, Manga, Suguna, Radhika, Meghana, Gayathri & Aruna) are cared by Sai Seva Sangh since 10 years or so. Out of them Sridevi got married, Manga settled as Nurse at Yashoda Hospitals and Suguna is staying at Shanthinikethan College Hostel, Hyderabad. Aruna left to her village due to home sick. Other 3 kids are studying in high school. Further K Dastagiri (Guntapally, Prakasam Dist) finished his M.Sc.,

and got job in Apollo Hospitals, Hyderabad about 5 years back. He happily married and settled in life. Guru Santhosh referred by abhaya and taken care of SSS since last 8 years now completed his MBA from Sri Sathya Sai University, Prashanthi Nilayam.

Further Govindamma referred by abhaya finished her Nursing course at Vaidehi college, Bengaluru and now happily working in a hospital. abhaya lending its supporting hands every month to SSS by supplying provisions worth Rs.10,000/- since a decade or so and further abhaya propagating the cause of SSS wherever possible in abhaya circles.

We take this opportunity to convey our best wishes to the team SSS and for their continuous and consistent effort in bringing the transformation in the society. Appealing all abhayans to visit this NGO at your convenience and lend your hands of support too... every good work is GOD's own work - **abhaya Team**

### abhaya Women Empowerment Center, Secunderabad

3rd Batch of Tailoring and fashion Designing Classes concluded:

The 3rd Batch of Tailoring and Fashion Designing classes which started on 1.12.2015 with the grace of

Bhagawan Satya Sai Baba, concluded on 24th April 2016 and 34 Young Women successfully completed the course. We understand that they are very confident to support their families with skills acquired in abhaya Women Empowerment Center, Telecom Nagar, Secunderabad.

The chief guest of the day Mrs. J.R.K Murthy , Ex Principal , Army School , Jagdalpur and well wisher of abhaya had given an brief introduction about swami and how did swami stood as an example to the mankind and in selfless service. She had Marvellously described how to introduce swami into our lives and values taught to us.

Many of the beneficiaries have some worn dresses the have stitched by them selves showing the confidence about the training that they acquired . .

We talked about seva and Values, what is seva, how to do seva and modes of doing seva. Some of the students from different backgrounds exchanged their experiences about the course and their family problems:

Anuradha met with an accident years ago and had lost her left arm. Unfortunately her husband abandoned her.

She has successfully completed the training. Now she is ready to accept any kind of orders with acquired tailoring skill.

Mrs. Sirisha, mother of 3 and wife of an alcoholic addicted husband. Her husband has fits and is not in a

condition to work now she is the only bread winner to the family. She is now ready to lead the life with accelerated confidence.

Course Coordinator Mrs.Krishanaveni Ranga Rao has given a brief talk about how to take further the training and assured them for any further support in future and they are given freedom to reach her any time to get clarified their doubts .

The Session closed with a group photograph of the students/beneficiaries. Also we are planning to conduct a graduation ceremony for these student at abhaya Home on 14th May 2016. We look forward support and inspiration from the Founder and abhaya - **K Ranga Rao, Coordinator, abhaya Foundation**

## Transformation Update

### GN Murthy, the MAN behind the logos of abhaya

Further, in 2012, when we conceptualized abhaya Home of Happiness, Founder sought the help of GN Murthy, he took considerable time and created a logo with a stroke of line hovering over the abhaya Logo.

When enquired about the concept, apart from many themes, he shared a divine theme, that it's a shelter of GOD, Jeeva Deva, Linga & Rudraksha.

This was again a revelation about Divine Will and blessings to abhaya Home. In fact, the Founder who went on a pilgrimage to Mount Kailash after conceptualizing abhaya Home of Happiness was fortunate enough to get Panchamukhi Rudraksha in Manasa Sarovar when he dipped his hand, further he got a pebble which replicates Mt. Kailash. These divine objects were placed in the FOUNDATION concave on the Inaugural ceremony at abhaya campus.

He was approached by the Founder in 2006 soon after abhaya FOUNDATION was registered, with a request to provide a suitable Logo. Gollapudi Narasimha Murthy, an Artist with a difference knowing the name of NGO, said he will create a logo.

All this was not shared with the (He) Artist Murthy earlier, but when he explained his thoughts, once again it was a revelation about the Power of Divine flowing in to abhaya's Mission to serve with the H.E.A.R.T.

He created the present logo in just 24 hours, and the moment I saw the logo which has the Face and Hands of the Divine Baba, I knew that no other can be as apt and matching as this logo to represent abhaya and its Mission.

The Founder accidentally met GN Murthy and expressed gratitude to him saying that, "Thank You is very small word to convey".

When enquired as how he could create such a wonderful logo in such a short span, he said that, the logo was created by him long back without knowing the reason. He further said that, it may be will of Baba for abhaya in its Mission.

That was how the care for destitute and rural unemployed youth started by abhaya in the Year 2012.... The journey is on with a Mission to train at least 1000 unemployed youth in the country by 2020...

## Sreshta: Parents, Bindu & Kiran

Motivated by abhaya and its good work, Ms Bindu & Kiran from USA wished to celebrate their daughter Shresta's 3rd birthday differently and approached the Founder. He appreciated them for the thought and suggested them to distribute Umbrellas & Cheppal to the most needy people on the roads during this hot summer through abhaya in AP/TS. As they stay in US we both took the responsibility to search for the needy and distributed the items to them. When we provided them to road side vendors, they felt very happy and thankful. We are grateful to abhaya for giving such a great opportunity to serve the needy. This could be the greatest gift given to the little angle Shresta. - **Bharath & Raji**

**Shilpa & Sharath:** We wish Pola Sharath, one of the most passionate SoulDear of abhaya. He stood like rock support to abhaya from USA. He may be young but, his attitude of Gratitude is phenomenal. With love, we requested him to be with abhaya Executive Committee. Every month, he pools INR 20000 on an average from his friends in USA. We salute him for his generosity and love to abhaya Mission to Serve with H.E.A.R.T

it is always **inspiring!**

Hats off to abhaya's service to humanity and in the last financial year you have roped in many MNC sto extend their helping hand for several projects. Projects like Hyundai training for drivers which shows them an avenue to lead a dignified life is really marvelous. I am really proud to see abhaya serving in different avenues. All the best, we pray our Beloved Swami to Bless you with many more opportunities to serve the needy. - **Y Srinivas Reddy**

Congratulations for wonderful work you are doing! Best wishes for continued service to the society in such magnificent manner! - **Nithin Shukla**

Dear Abhaya TEAM! Congratulations to you all for releasing the News Letter for the Month of March 2016. It is quite informative and well documented. It is significant to note that you could rise approximately 1.5 crore, which reflects the availability of resources and it only needs to get connected with CSR. Your reach to the community with innovation and creativity is most welcome and many should follow your strategies and interventions. Once again congratulations and looking forward. - **Laxmi Narayana**

I heard about abhaya Foundation 3 months back. Initially I was in the impression of this is also like one of any other NGO. But, when I met the founder and looked at abhaya Foundation News updates, my opinion changed as what they are doing is very significant for the society in most VIBRANT way. I Congratulate the Founder of Abhaya Foundation and the entire team for doing such beautiful programs especially activities for Women Empowerment, Skill Development programs for unemployed youth of rural areas, financial support to medical cases for treatment support. I further appreciate the fact that many reputed corporate joined hands with abhaya, involved their employees guiding them in to CSR activities.

Our Dear Respected Balachandra Sir and Noble abhaya Family, We cherish, from the depth of our hearts your dynamic leadership, timely support, understanding, and apt help that you extend so spontaneously. Your divine nature to help is truly inspiring and blissful to Swami. Sir, we take this opportunity to wish you all and Your sweet family a very happy, healthy, prosperous and fruitful UGADHI 2016 and all the Ugadhi New years that are to come , be full of God's Seva , His protection and bliss of life.

We all know that many of us have desire to do some kind of social work in our life, but due to some or other reason we are unable to take time and make it. Here is the answer... abhaya Foundation. It has provided a very good platform and opportunity for likeminded people like us to serve the society directly by rendering our physical services or giving some donations. I can proudly tell I am also part of it thanks to abhaya... I wish all the very best and good success to abhaya Foundation for its Mission & Cause. My support will always be continued. - **M Nagaraju, AGM- HR, GVPR Engineers Ltd, Hyderabad**

May all that you have worked for come true.... You are indeed very very special to us, and a blessing to the Humanity!!! Sincerely, Sairam -**CH Rommel IFS (Retd), Former Diplomat, India**

I am Mounika... krishna's brothers daughter from Kalwakurthy. I want to transfer money to abhaya's account. Im working in infosys, Mysore. I thought of helping some in need with my first salary, so i decided to donate to abhaya. I came to know about abhaya in my college days from Pola Saideep as to how it help people in need. I will do it as much as i can every month and let you know when I do.

## Divine blessings showered by Sri Tridandi Srimannarayana Ramanuja Chinna Jeeyar Swamy

Jai Srimannarayana abhaya Team! IT IS AWESOME TO SEE THE ACHIEVEMENT OF THIS YEAR 2015. Every month it inspires us with the services you are extending to the needy people. We are praying to God to make the hands stronger and generous to promote good causes always.

Balachandra ji! We are so happy to hear about the activities conducted there in abhaya Home of Happiness. You are always a man of creativeness. You neither sit silent and allow others to sit in silence, which is really good. We offer mangalasanams to you and the entire team for their tireless contributions of time, money and what not. Convey our mangalasanams to all our team members.- **=chinnajeeyar=**
